

2019 COLORADO MUSIC EDUCATORS' ASSOCIATION CLINIC & CONFERENCE

VOCAL & INSTRUMENTAL EQUIPMENT INFORMATION

This form no longer needs to be submitted to CMEA. This is for your information only.

Only the equipment below will be available at this year's clinic / conference. Due to the number of clinic/performance groups and individual preferences, each group will be responsible for their own special equipment needs beyond the listed equipment below. This is to include mallets of all kinds, as well as snare drum, wind chimes, temple blocks, and other small percussion.

International Center

The following items will be available for use during your performance:

Chairs (as many as necessary)	Director's Podium	Marimba	Xylophone
Music Stands (80)	Gong (Tam-Tam)	Vibraphone	Chimes
4 Timpani (23", 26", 29", 32")	Bass Drum	Grand Piano*	Sound Shells

**The piano is provided by the Broadmoor. It may be wheeled off stage right, but must stay at stage level.*

Broadmoor Hall D/E

The following items will be available for use during your performance:

Stands (10)	(6) 3-Step Choral Risers	Sound Shells	Piano*
-------------	--------------------------	--------------	--------

**The piano is provided by the Broadmoor. It will be located at floor level and MAY NOT be moved onto the stage. Moving the piano onto the stage itself will incur a significant fee from the Broadmoor. YOU will be financially responsible for said expense.*

Colorado D/E

The following items will be available for use during your performance:

Chairs (as many as necessary)	Director's Podium	Piano*	Vibraphone
Stands (30)	4ft x 8ft x16" platform risers (2)	4ft x 8ft x 8" platform risers (2)	Sound Shells

**The piano is provided by the Broadmoor. It will be located at floor level and MAY NOT be moved onto the stage. Moving the piano onto the stage itself will incur a significant fee from the Broadmoor. YOU will be financially responsible for said expense.*

If you are presenting in an unlisted location, and need music stands or other musical equipment, please contact Tom Bruszewski, Equipment Manager (information below), at your earliest convenience.

If you have any questions or concerns, please don't hesitate to contact the Equipment Manager, or your respective Council Chair:
